

Lydeard St Lawrence Dryad Pop Up Pub

Lydeard St Lawrence Village Hall is excited to announce its first Pop-Up Pub on Saturday 15th March 2025!

The Pub will open from 7pm till 10.30pm and cater for over 18s only.

The Dryad Inn is a Pop-Up Pub of no fixed abode. It stocks local ciders, wines and beers and of course Dryad distilled gin on the Quantock Hills. You'll be able to enjoy it straight or in one of several cocktails!

The Pub is staffed by volunteers who want to provide somewhere for local people to meet and connect.

There will be a raffle, where first prize is a bottle of Dryad Gin, and pub snacks will be served during the evening (donations welcome).

Also, from 6pm why not join us for some pre-pub entertainment as Dan Broadbent of Blabbermouth Community Storytelling, shares traditional tales and folk stories from around the world, loosely themed around drinking, its dangers and delights! Donations welcome.
